Project Title:

Form Completed By:

Attach or type below a narrative evaluating the overall project. This narrative should address the effectiveness of the project and the contributions of relevant personnel. How effective were they as presenters, teachers, etc., and what humanities content did they provide? Did the project accomplish what you intended? Were there any notable successes, obstacles or lessons learned? Please let us know if the project has won any prizes or awards, and if it does in the future after submitting this report. What do you feel the Council could do in the future to assist organizations in carrying out a successful project?
